GILSUM PUBLIC LIBRARY

Librarian's Report

The circulation figures for 1969 were 991 non-fiction and 2084 fiction, 301 of which we borrowed from the Keene Service Center. There were also 113 records circulated. There are some who do not care about reading, but do get enjoyment from the records. Our cardholders included 81 adult and 59 junior borrowers.

The library has added two new bookcases which hold a total of about 400 books. We also added two large peg boards for displaying books in the windows.

In addition to approximately 75 books purchased by the library, books have been donated to us from many townspeople, from the Keene Library, Stone Bridge Press, and even one of the Rock Swap dealers. These include a goodly collection of mystery stories, an automobile repair manual, mineral and geology books, a book on tailoring, and many others. There are also donations of magazines on a regular basis. Some of these are McCall's, Venture, Motor, Ladies Home Journal, Conservationist, to name just a few. The above are all gratefully received.

The Bookmobile, which some of you may not know, is a large walk-in truck, completely lined with shelves of books, comes to Gilsum every three months. We borrow about 300 books each time. This is a free service supplied by the state, so that we may add to our shelves many books which we could not otherwise have.

A word about our young people: With all the bad publicity teenagers get in the newspapers and TV, it should be noted that all the ones who use the library are respectful, courteous, cooperative and helpful to each other.

The library does not have a telephone, but the librarian does at her home, so, if you need information or want to renew a book, the telephone number is 352-7630. Please don't hesitate to use it.

One other thing, we've installed a book drop on the door of the library, for all those wishing to return books when we are closed.

The library hours are :

Monday	2 - 4 PM	Thursday	7 - 9 PM
Tuesday	7 - 9 PM	Saturday	10 - 12 AM
Wednesday	2 - 4 PM		

LIBRARY TRUSTEES' REPORT

During the year 1969 the Trustees continued the policy of making available to Gilsum residents of all ages, within budget limitations, publications and services which they could not readily obtain otherwise. The items thus made obtainable include reference books; magazines (popular and scientific); fiction and non-fiction books, a considerable proportion of which are obtained by means of the State Library's Bookmobile service at no charge to the Gilsum Library; travel movies; and other educational movies.

National Library Week was celebrated as usual. The Friends of the Library had charge of the event.

Study of problems relating to obtaining a more adequate building for the Library continued through 1969. As previously reported, the present space is too small for really efficient use; the building is by no means fireproof; and numerous other problems and possible solutions have been considered. The Selectmen have appointed a Committee to study the Town's public buildings, including the Library. An option has been obtained on the property which includes that now occupied by the Library.

Book sales were held by the Library at the time of the 1969 Rock Swap and at the time of the New Old Home Day.

The Library was made available for the sale of 1969

UNICEF Christmas Cards.

The resignation of Betty Pratt as Librarian was received with regret at the Trustees' meeting of March 17, 1969, to take effect not later than June 30, 1969. The Library was able, fortunately, to obtain the services of Marian Hall as Librarian, effective May 1, 1969.

Meetings of the Library Trustees are scheduled to be held on the first Tuesday of each month, in the Library.

NORTH CHESHIRE COUNTY HOME HEALTH SERVICE

A new health service is now available to the townspeople of Gilsum, Marlow, Stoddard, Sullivan and Surry. This service has in its employ a registered professional nurse, Mrs. Edith Hasbrouck, and on a part-time basis, Miss Adelaide Berdeen, a qualified physical therapist.

The purpose of the Heath Service is to provide nursing care ordered by your physician and to teach a member of the family to carry out the needed care after the nurse has left. The nurse will visit mothers of new babies, to aid and assist in the instruction of care for the new-born.

Other services supplied will be free clinics held throughout the year such as the measles clinic held November 6, 1969 at the Gilsum Elementary School.

People insured under the Medicare Program will be eligible for the nursing care under that program, others will be charged a fee of \$3.00 which can be scaled downward in case of need. NO ONE will be refused care because of inability to pay. To help support this service a membership drive was held in the five towns and will be done annually.

The North Cheshire County Home Health Service office is housed in the Gilsum Fire Station and the nurse is available to you from 9:00 a.m. until 1:00 p.m., Monday through Friday. The phone number of the service office is 357-0969 and calls should be made between 9:00 and 9:30 a.m.

If you should have any questions about the service, contact your physician, Department of Public Health and Welfare, or your local board member.

Respectfully Submitted,

Merrylin Johnson (Mrs. Dale S.)
Secretary

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires.

A synopsis of these laws follow :

Fire Permit

A **fire permit** is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be **prior to 9:00 a.m. and after 5:00 p.m.**

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly

that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
